Dr. [Sanoussi Bilal](#), a Swiss national, is the Coordinator of Programme on [ACP-EU Economic and Trade Cooperation](#) at the European Centre for Development Policy Management (ECDPM), Maastricht, The Netherlands.. His background is in international relations, economics and international trade: Bachelor in economics at the University of Geneva, Master in international relations with a specialization in international economics at the Graduate Institute of International Studies in Geneva, and a PhD in economics at the University of Birmingham, UK. His expertise and publications are in the fields of trade policies and development, economic integration, political economy, regulation and trade-related areas (see www.ecdpm.org/bilal). Before joining ECDPM, he worked on trade and immigration issues at the [University of Geneva](#), on European internal market issues at the [European Institute of Public Administration](#), and trade and development issues at the [Overseas Development Institute](#). His current activities relate mainly to the trade policies and capacity development of the African, Caribbean and Pacific (ACP) countries and the European Union, in the context of their regional integration process, the Economic Partnership Agreements (EPAs) currently being negotiated and the multilateral (WTO) framework.
