

Ministry of Foreign Affairs

MENA SCHOLARSHIP PROGRAMME COURSE LIST 2010

The MENA Scholarship Programme is initiated and fully funded by the Netherlands Ministry of Foreign Affairs. This ministry has contracted Nuffic, the Netherlands organization for international cooperation in higher education to administer the MENA Scholarship Programme.

The MENA Scholarship Programme aims to contribute to capacity building within organizations and institutions in the six selected countries: **Algeria, Iraq, Lebanon, Morocco, Oman and Syria.** Moreover a network of 100 alumni can pay a positive contribution to the relations between the Netherlands and their respective countries.

Scholarships are available for short courses on the MENA course list 2010 only. Scholarship applications for participation in other courses will not be considered.

Décentralisation rurale et gouvernance locale: renforcement des processus multi-acteurs

Leading to: Certificate

Next course begins: 27-09-2010

Duration: 2 weeks

Scholarship application deadline: 1-3-2010

Educational requirements: MSc level.

Professional requirements: Professional experience with tasks related to the subject.

Other requirements: For managers of decentralization and local governance programmes, of organizations supporting local government or civil society organizations.

Ecosystem approach to fisheries: Monitoring and evaluation of resource use and fisheries impact

Leading to: Certificate

Next course begins: 01-11-2010

Duration: 3 weeks

Scholarship application deadline: 1-7-2010

Educational requirements: BSc or equivalent in a relevant subject.

Professional requirements: Several years of work experience in fisheries management, fisheries policies, research, training or project implementation.

Facilitating multi-stakeholder processes and social learning

Leading to: Certificate

Next course begins: 06-09-2010

Duration: 3 weeks

Scholarship application deadline: 1-3-2010

Educational requirements: Relevant tertiary education.

Professional requirements: At least 5 years of professional experience related to the subject matter of the course.

Fisheries governance

Leading to: Certificate

Next course begins: 21-06-2010

Duration: 3 weeks

Scholarship application deadline: 1-3-2010

Educational requirements: BSc degree or equivalent in a relevant subject.

Professional requirements: Several years of work experience in fisheries management, fisheries policies, research, training or project implementation.

Food and nutrition security impact assessment

Leading to: Certificate

Next course begins: 24-05-2010

Duration: 3 weeks

Scholarship application deadline: 1-3-2010

NB: For candidates from Iraq the application deadline for this course is 15-2-2010

Educational requirements: At least a BSc degree in food science, nutrition, medical sciences, agriculture, social sciences, home economics, etc.

Professional requirements: At least 3 years of professional experience in food and nutrition security and/or closely related field.

Integrated Pest Management (IPM) and food safety

Leading to: Certificate

Next course begins: 31-05-2010

Duration: 3 weeks

Scholarship application deadline: 1-3-2010

NB: For candidates from Iraq the application deadline for this course is 15-2-2010

Educational requirements: MSc or at least BSc degree or equivalent in agriculture or biology.

Professional requirements: Professional experience with tasks related to the subject.

International training of trainers on wetlands management

Leading to: Certificate

Next course begins: 06-09-2010

Duration: 3 weeks

Scholarship application deadline: 1-3-2010

Educational requirements: At least a Bachelor level qualification or equivalent educational background.

Professional requirements: At least 2 years of professional experience; be involved in wetland management and preferably assigned to capacity building in wetland management.

Market access for sustainable development

Leading to: Certificate

Next course begins: 01-11-2010

Duration: 3 weeks

Scholarship application deadline: 1-7-2010

Educational requirements: BSc in (agricultural) economics, social sciences, related agricultural sciences or equivalent background by alternative training and experience.

Professional requirements: At least 3 years of professional experience in a relevant field.

Plant variety protection (plant breeders` rights)

Leading to: Certificate

Next course begins: 14-06-2010

Duration: 2 weeks

Scholarship application deadline: 1-3-2010

Educational requirements: BSc degree.

Professional requirements: Basic knowledge of variety registration.

Rights based approaches to food and nutrition security

Leading to: Certificate

Next course begins: 13-09-2010

Duration: 2 weeks

Scholarship application deadline: 1-3-2010

Educational requirements: At least a BSc degree in food science, nutrition, medical sciences, agriculture, social sciences, home economics, etc.

Professional requirements: At least 3 years of professional experience in food and nutrition security and/or closely related field.

Seed potato technology, certification and supply systems

Leading to: Certificate

Next course begins: 31-05-2010

Duration: 4 weeks

Scholarship application deadline: 1-3-2010

NB: For candidates from Iraq the application deadline for this course is 15-2-2010

Educational requirements: BSc degree, but preferable MSc degree, in agriculture.

Professional requirements: At least 3 years of professional experience in potato sector or closely related subjects.

Business administration and management

Educational requirements: Bachelor's degree or equivalent in a relevant field of study.
Professional requirements: 6 years of professional experience with at least 3 years in a relevant position related to the course.
Other requirements: Managers, executives, public & non-public officials interested in policy making, public sector management, ICT, public sector performance & related.

Environmental Management - towards a Sustainable Development (ME)

Leading to: Diploma
Next course begins: 17-09-2010
Duration: 12 weeks
Scholarship application deadline: 1-3-2010
Educational requirements: Bachelor's degree or equivalent in a relevant field of study.
Professional requirements: 6 years of professional experience with at least 3 years in a relevant position related to the course.
Other requirements: Managers, lecturers, government policy-makers, consultants dealing with environment, research and policy.

Leadership and management of Higher Education Institutions (LMHE)

Leading to: Certificate
Next course begins: 26-11-2010

Duration: 3 weeks
Scholarship application deadline: 1-7-2010
Educational requirements: Bachelor's degree or equivalent in a relevant field of study.
Professional requirements: 6 years of professional experience with at least 3 years in a relevant position related to the course.
Other requirements: Academic and admin. Leaders of HE institutions; policy makers and planners; senior educational administrators; educational consultants.

Management of Change for Organizational Transition (CM)

Leading to: Certificate
Next course begins: 04-06-2010
Duration: 3 weeks
Scholarship application deadline: 1-3-2010
Educational requirements: Bachelor's degree or equivalent in a relevant field of study.
Professional requirements: 6 years of professional experience with at least 3 years in a relevant position related to the course.
Other requirements: Senior level general managers from the private/public sector, HR professionals, consultants, lecturers.

Managing Performance through Organizational Culture (OCM)

Leading to: Certificate
Next course begins: 04-06-2010
Duration: 3 weeks
Scholarship application deadline: 1-3-2010
NB: For candidates from Iraq the application deadline for this course is 15-2-2010
Educational requirements: Bachelor's degree or equivalent in a relevant field of study.
Professional requirements: 6 years of professional experience with at least 3 years in a relevant position related to the course.
Other requirements: Senior executive officers; HR professionals, consultants and lecturers.

Managing Sustainable Development (MSD)

Leading to: Certificate
Next course begins: 05-11-2010
Duration: 3 weeks
Scholarship application deadline: 1-7-2010
Educational requirements: Bachelor's degree or equivalent in a relevant field of study.
Professional requirements: 6 years of professional experience with at least 3 years in a relevant position related to the course.
Other requirements: Policy-makers, managers, academics engaged in design and implementation of CSR policies.

Project Identification, Development and Management: Towards an Effective Project

Cycle (PDM)
Leading to: Certificate
Next course begins: 17-09-2010
Duration: 3 weeks
Scholarship application deadline: 1-3-2010
Educational requirements: Bachelor's degree or equivalent in a relevant field of study.
Professional requirements: 6 years of professional experience with at least 3 years in a relevant position related to the course.
Other requirements: Project decision-makers & project staff from governments, NGO's, educational institutes & private companies.

Project Management (PM)

Leading to: Diploma

Next course begins: 17-09-2010

Duration: 12 weeks

Scholarship application deadline: 1-3-2010

Educational requirements: Bachelor's degree or equivalent in a relevant field of study.

Professional requirements: 6 years of professional experience with at least 3 years in a relevant position related to the course.

Other requirements: Candidates are project managers, planners, loan officers, trainers and consultants in relevant project areas.

Sustainable Tourism Management (STM)

Leading to: Certificate

Next course begins: 27-08-2010

Duration: 3 weeks

Scholarship application deadline: 1-3-2010

Educational requirements: Bachelor's degree or equivalent in a relevant field of study.

Professional requirements: 6 years of professional experience with at least 3 years in a relevant position related to the course.

Other requirements: National and local policy makers; non-governmental officials; tourism managers; practitioners; trainers and teachers.

The Consulting Process (TCP)

Leading to: Certificate

Next course begins: 15-10-2010

Duration: 3 weeks

Scholarship application deadline: 1-7-2010

Educational requirements: Bachelor's degree or equivalent in a relevant field of study.

Professional requirements: 6 years of professional experience with at least 3 years in a relevant position related to the course.

Other requirements: Professional consultants; senior executives operating in advisory capacity; senior staff from government organizations & NGO's; trainers/academics.

Women Entrepreneurship Promotion (WEP)

Leading to: Certificate

Next course begins: 05-11-2010

Duration: 3 weeks

Scholarship application deadline: 1-7-2010

Educational requirements: Bachelor's degree or equivalent in a relevant field of study.

Professional requirements: 6 years of professional experience with at least 3 years in a relevant position related to the course.

Other requirements: Policy-makers, program managers involved in private sector development of (non)governmental development agencies. Business support advisors, trainers.

Applied Groundwater Modelling

Leading to: Certificate
Next course begins: 14-06-2010
Duration: 3 weeks
Scholarship application deadline: 1-3-2010
Educational requirements: BSc degree or equivalent qualification in a relevant subject from a recognized university.
Professional requirements: Practical or research work experience.

Aquatic Ecosystems: Processes and Applications

Leading to: Certificate
Next course begins: 14-06-2010
Duration: 3 weeks
Scholarship application deadline: 1-3-2010
Educational requirements: BSc degree or equivalent qualification in a relevant subject from a recognised university.
Professional requirements: Practical or research work experience.

Climate Change in Integrated Water Management

Leading to: Certificate
Next course begins: 06-09-2010
Duration: 2 weeks
Scholarship application deadline: 1-3-2010
Educational requirements: BSc degree or equivalent qualification in a relevant subject from a recognized university.
Professional requirements: Practical or research work experience.

Decentralised Water Supply and Sanitation

Leading to: Certificate
Next course begins: 05-07-2010
Duration: 3 weeks
Scholarship application deadline: 1-3-2010
Educational requirements: BSc degree or equivalent qualification in a relevant subject from a recognised university.
Professional requirements: Practical or research work experience.

Environmental System Modelling

Leading to: Certificate

Next course begins: 14-06-2010

Duration: 3 weeks

Scholarship application deadline: 1-3-2010

Educational requirements: BSc degree or equivalent qualification in a relevant subject from a recognised university.

Professional requirements: Practical or research work experience.

Flood Risk Management

Leading to: Certificate

Next course begins: 14-06-2010

Duration: 3 weeks

Scholarship application deadline: 1-3-2010

Educational requirements: BSc degree or equivalent, qualification in a relevant subject from a recognised university.

Professional requirements: Professional or research work experience.

GIS and Remote Sensing applications for the Water Sector

Leading to: Certificate

Next course begins: 01-11-2010

Duration: 2 weeks

Scholarship application deadline: 1-7-2010

Educational requirements: A basic knowledge of computing and water/environmental related disciplines.

GIS modelling: SWAT

Leading to: Certificate

Next course begins: 01-11-2010

Duration: 2 weeks

Scholarship application deadline: 1-7-2010

Educational requirements: BSc engineering or science.

Professional requirements: Experience in water management or water science.

Industrial Wastewater Treatment and Residuals Management

Leading to: Certificate

Next course begins: 14-06-2010

Duration: 3 weeks

Scholarship application deadline: 1-3-2010

Educational requirements: BSc degree or equivalent qualification in a relevant subject from a recognized university.

Professional requirements: Practical or research work experience in wastewater treatment.

Managing Water Organizations

Leading to: Certificate

Next course begins: 14-06-2010

Duration: 3 weeks

Scholarship application deadline: 1-3-2010

Educational requirements: BSc degree or equivalent qualification in a relevant subject from a recognised university.

Professional requirements: Practical or research work experience.

Public-Private Partnerships in the Water Sector

Leading to: Certificate

Next course begins: 05-07-2010

Duration: 3 weeks

Scholarship application deadline: 1-3-2010

Educational requirements: BSc degree or equivalent qualification in a relevant subject from a recognized university.

Professional requirements: Practical or research work experience.

Solid Waste Management

Leading to: Certificate

Next course begins: 05-07-2010

Duration: 3 weeks

Scholarship application deadline: 1-3-2010

Educational requirements: BSc degree or equivalent qualification in a relevant subject from a recognized university.

Professional requirements: Practical or research work experience.

Spate Irrigation and Water Management under Drought and Water Scarcity

Leading to: Certificate

Next course begins: 06-09-2010

Duration: 2 weeks

Scholarship application deadline: 1-3-2010

Educational requirements: BSc degree or equivalent qualification in a relevant subject from a recognized university.

Professional requirements: Practical or research work experience.

Other requirements: Computer literacy.

Urban Water Systems Modelling

Leading to: Certificate

Next course begins: 14-06-2010

Duration: 3 weeks

Scholarship application deadline: 1-3-2010

Educational requirements: BSc degree or equivalent qualification in a relevant subject from a recognized university.

Professional requirements: Practical or research work experience.

Water Transport and Distribution 2

Leading to: Certificate

Next course begins: 05-07-2010

Duration: 3 weeks

Scholarship application deadline: 1-3-2010

Educational requirements: BSc degree or equivalent qualification in a relevant subject from a recognized university.

Professional requirements: Practical or research work experience.

Water Treatment Processes and Plants

Leading to: Certificate

Next course begins: 14-06-2010

Duration: 3 weeks

Scholarship application deadline: 1-3-2010

Educational requirements: BSc degree or equivalent qualification in a relevant subject from a recognised university.

Professional requirements: Practical or research work experience.

Watershed and River Basin Management

Leading to: Certificate

Next course begins: 05-07-2010

Duration: 3 weeks

Scholarship application deadline: 1-3-2010

Educational requirements: BSc degree or equivalent qualification in a relevant subject from a recognised university.

Professional requirements: Practical or research work experience.

Managing Geoinformation Systems in the Public Sector

Leading to: Certificate

Next course begins: 07-06-2010

Duration: 6 weeks

Scholarship application deadline: 1-3-2010

NB: For candidates from Iraq the application deadline for this course is 15-2-2010

Educational requirements: First degree.

Professional requirements: Relevant professional experience.

Participatory GIS - Principles and Applications

Leading to: Certificate

Next course begins: 28-06-2010

Duration: 3 weeks

Scholarship application deadline: 1-3-2010

Educational requirements: Basic mapping and GIS knowledge and skills.

Professional requirements: Affinity to work with community groups.

Principles and Applications of Remote Sensing and GIS in four application fields

Leading to: Certificate

Next course begins: 23-09-2010

Duration: 12 weeks

Scholarship application deadline: 1-3-2010

Educational requirements: BSc degree or equivalent from a recognized university in a discipline related to the application field.

Professional requirements: Some work experience in a relevant field is recommended.

Other requirements: Reasonable working knowledge of mathematics and good computer skills.

Principles of Spatial Data Handling: Databases, GIS and Remote Sensing

Leading to: Certificate

Next course begins: 23-09-2010

Duration: 12 weeks

Scholarship application deadline: 1-3-2010

Educational requirements: BSc in a field relevant to the course.

Professional requirements: Professional experience is not required, but affinity to working with spatial data is an advantage.

Other requirements: Basic computer skills.

SAR Remote Sensing, Interferometry and Their Applications in Land and Earth Resources and Disaster Damage Assessment

Leading to: Certificate

Next course begins: 07-06-2010

Duration: 6 weeks

Scholarship application deadline: 1-3-2010

NB: For candidates from Iraq the application deadline for this course is 15-2-2010

Educational requirements: BSc in Earth Sciences, Geography, Environmental Sciences, Natural Resources Management, Urban Planning or other relevant discipline.

Professional requirements: Few years of professional experience is recommended.

Other requirements: Basic knowledge of Remote Sensing and GIS and computer proficiency is required.

Scenario Development, Spatial Planning Support Systems and Collaborative Decision Support

Leading to: Certificate

Next course begins: 07-06-2010

Duration: 6 weeks

Scholarship application deadline: 1-3-2010

NB: For candidates from Iraq the application deadline for this course is 15-2-2010

Educational requirements: Problem structuring, cognitive mapping, spatial data analysis tools and techniques, simulation and modelling, evaluation techniques.

Professional requirements: Knowledge of GIS and, disciplinary knowledge of problem domain, spatial data analysis (tools and techniques).

Spatial Change and Spatial Interaction Modelling

Leading to: Certificate

Next course begins: 07-06-2010

Duration: 3 weeks

Scholarship application deadline: 1-3-2010

NB: For candidates from Iraq the application deadline for this course is 15-2-2010

Educational requirements: Sufficient theoretical background and practical skills in Geographic Information Science.

© Nuffic, October 2009

Nuffic is the Netherlands Organization for International Cooperation in Higher Education. Our motto is Linking Knowledge Worldwide. This means linking people, because it's knowledge that makes us unique as people. Nuffic works in line with Dutch government policy to serve students and higher education institutions in three key areas:

• Capacity Building & Scholarships

Administering international mobility programmes (scholarships) and institutional cooperation programmes.

• Communication

Providing information about higher education systems in the Netherlands and in other countries; providing credential evaluation services; providing information in the Netherlands about studying abroad, and in other countries about studying in Holland; promoting Dutch higher education in other countries; encouraging international mobility.

• Knowledge & Innovation

Conducting studies into international cooperation in higher education; providing information to expert groups and consultation forums; transferring our knowledge of international cooperation in higher education through courses and seminars.
