# Objectives and key activities of Nuffic Nesos

*Position the Netherlands as a country with excellent higher education in the Neso target countries/regions.*

→ Contribute to the quality of Dutch higher education and a strong knowledge-based economy in the Netherlands in accordance with the *Internationaliseringsagenda* of the Ministry of Education, Culture and Science.

## **Generieke kernactiviteiten:**

1. Generic promotion and student counselling
2. Facilitate institutional cooperation
3. Market information and analysis
4. Facilitate Holland alumni networks
