### Logos

In our new logo, the name of the network and the use of colors has been changed. Below an overview of all logo's. All logos are available as .eps, .jpg, .png and, .svg.

*Version A – Full color diagonal (preferred logo)*

The orange variant is preferred to the positive slide logo.

*Version B – Full color diagonal positive slide.*

Use only when there is little contrast with the orange logo.

*Version C – Full color diagonal incl. the written name of the network*

Version D – Full color horizontal, may be used on websites.

Version C – Full color horizontal positive slide

Use only when there is little contrast with the orange logo

### Social media

In the logo set you will also find the logos in the correct format for use on LinkedIn, Instagram and Facebook.
