

## Declaration of Co-finance for Orange Knowledge Programme

*This declaration is part of the subsidy application for the Orange Knowledge Programme – Individual Scholarship Round 1 2023. Please copy and submit this declaration on your institutions' official letterhead before 13 April 2023 16.00 CET to [okp@nuffic.nl](mailto:okp@nuffic.nl). Declarations submitted later than this date and time will not be taken into consideration.*

An Orange Knowledge Programme – Individual Scholarship grant issued under this application round 1 2023, will only finance the study and stay in the Netherlands of scholarship holders for 1 academic year. In order to participate with master's degree programmes that are longer than 1 year, the remaining nominal study period must be co-financed.

This declaration is therefore applicable to the co-financing of the study and stay of scholarship holders who are selected in Round 1 of 2023 for an Orange Knowledge Programme – Individual Scholarships (OKP- IS) for a master's degree programme with a duration of more than 1 year. **<Name Institution>** understands that co-financing is a prerequisite for receiving a grant under the OKP-IS for the programmes in said application round.

With this form the designated mandate holder of the grant applicant (Dutch institution) declares that the grant applicant:

- will co-finance the study and stay in the Netherlands (if applicable) during the remaining months of the nominal study period for a maximum of scholarship holders as stated below;
- has or will have sufficient financial resources for the amount stated in this document before the start of the grant period;
- is aware that the [Grant Conditions & Obligations version 9.0](#) apply and has taken note of the specific conditions for co-financing;
- is aware of the reporting deadline of 31 October 2024 and the [reminder procedure](#) that follows if the final report is not submitted on that date;
- ensures to submit the final report before the reporting deadline of 31 October 2024;
- is aware of and accepts the consequences of not submitting the final report before 31 October 2024.

This declaration is under the assumption that a grant can be awarded under the OKP-Individual Scholarships in Round 1 2023.
